

Building Bridges Together

FEATURING

Ron Mirr, speaking/training on *Family and Community Engagement*. Ron works with schools in the areas of engaging families in efforts to improve student achievement, connecting families to mental health and other support services. He focuses on increasing student and family “connectedness” with schools. He will address how to deal with barriers to learning by engaging families and strengthening wrap-around services for students. He has worked as a mental health clinician, a school administrator, and consultant in many states and internationally.

Brian Miller. Brian’s TEDx talk, “*How to Magically Connect with Anyone*,” has been viewed over 3 million times worldwide and is included on “Best of TED” lists. Brian works with organizations, students, and educators to create an environment where everyone feels heard, understood, and valued. He is the author of *Three New People: Make the Most of Your Daily Interactions and Stop Missing Amazing Opportunities*, a passionate plea for a new social mindset that prioritizes connection over transaction.
